FONERS/ PERE GARAU

The areas of Foners/Pere Garau are part of the district Levante in Palma, located close to Plaza España with its great bus and train communications. Foners is a popular area because of its genuine Spanish atmosphere with local restaurants and bars, where in Pere Garau you find the historic food market, which is said to be the best in Palma. In Foners/ Pere Garau you get the best of both worlds – being in the middle of the city, but still just a short walk from the sea.
