NOU LLEVANT

Nou Llevant is a true up and coming area, and the intended future maritime façade of Palma. With its accessible location, between Palma centre, the airport and the sea, this neighbourhood is a part of the many pioneering initiatives to make Palma a more sustainable city. This means it will be one of the prioritized areas when it comes to innovative residential projects and creative, cultural spaces, such as the Congress Centre and home for the Balearic Symphony Orchestra. Living in this neighbourhood means having walking distance to Old Town, Portixol and the beach. In the coming years, Nou Llevant is likely to be one of the most sought after areas for property investments.
